

Assessment

At Appleton Primary School we used a variety of assessment techniques to see how the children are progressing in their learning and what we need to do next to help them. This includes both formative and summative techniques, as appropriate. During the school year we will talk to parents about how their children are progressing at parent/teacher meetings, and also in an annual report.

2015/2016 SATs Assessment Data

Average progress scores

Reading	2.23
