### Use of Sports Premium Funding for 2017/2018

This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and Sport, for the benefit of primary aged children, in the 2017-2018 academic year so that they are encouraged to develop healthy, active lifestyles. The exact amount of money that we will receive is yet to be confirmed, however the Government guidance indicates that we will be receiving £16,000 and £10 per pupil in years 1-6.

Updated October 2017.

<b>Actions to be taken</b>	<b>Cost</b>	<b>Impact</b>	<b>Evidence:</b>
Silver Membership of the Vale Partnership	£700 (not invoiced yet)	This will include access to everything within the CPD package which includes generic CPD sessions, support from the Vale Partnership and the opportunity to attend Vale Partnership competitions.  It will also include 3 bespoke sessions chosen by the individual school. These sessions will be based on the school's site, meaning that teachers and TAs can be shown how to use their space and their equipment effectively along with any other areas identified for development.	Children will have the opportunity to attend Level 2 and potentially Level 3 sporting events. Teachers and Teaching Assistants will be able to build on their PE knowledge and confidence when teaching PE/ supporting within PE lessons.
Employment of the School Sports Co-ordinator for the Matthew Arnold Partnership	TBC	Children have the opportunity to take part in partnership competitions which include qualifying events to take part in Vale Final competitions. This provides increased participation in competitive sport. Staff can work with the SScO to build their knowledge and confidence in the teaching of PE for example through team teaching.	In Autumn 1 term we attended 2 local partnership events and 1 Vale Final event (Cross Country).
Extra swimming teacher for class swimming sessions	£950	Each of the 3 swimming groups during class swimming sessions will now have a qualified swimming teacher leading their session. This should hopefully result in quicker progression and development of the children's swimming skills.	Weekly swimming sessions now have a qualified teacher working with each group.
Purchase of sports kit and equipment	£639.20	This provides children with the sense of belonging as part of a team. It also makes them proud to be representing their school. New equipment will allow children to take part in a wide range of sports and events. It will motivate children and staff in their PE lessons and extra-curricular activities.	Dance costumes will be worn by the Dance Team who are performing at the Oxfordshire Dance Festival in December 2017.

It is run by a UKA Level 3 Qualified Coach who has over 25 years experience in athletics coaching. The club is available for children in years 4-6. The club will then move to a focus on outdoor athletics in the Spring/ Summer terms. It will help to prepare children for athletics competitions in the Spring/ Summer terms.	There are currently ten children attending the athletics club each week. For many of the children, it is their first time attending an athletics club.

Supply Teacher Cover/ TA extra hours to enable staff to take children to sporting events	£110	To enable children to take part in more sporting events/ competitions and to allow school staff to accompany and supervise the children at the events.
