

Windrush Class Weekly Update

Year 3

26th - 30th
June 2023

Jigsaw

Outside Body Changes

In Jigsaw this week we learnt about how our bodies change as we grow up. We talked about how lots of changes happen in life – some which we can control, and others we can't. We talked about how our bodies would change on the outside and discussed how this would be different for boys and girls.

The children had lots of interesting questions, some of which we will be answering in Jigsaw next week.

Music

Untuned Instruments

In Music this week, we explored different untuned instruments and instruments we could find within the classroom. We started the lesson by watching a STOMP performance. We then practiced making different timbres and sounds using objects from around the classroom. We started adding these to our body percussion performances and look forward to continuing with this next week.

Spanish Day

On Thursday this week, the children enjoyed a variety of activities as well as getting to wear red and yellow. They enjoyed learning about Cubism before creating some of their own artwork based on cubism. Later on in the day the children enjoyed having a Spanish lunch, having a Spanish lesson with Miss Browne as well as doing some amazing salsa dancing!

Sports Evening

Thursday was a busy day as the children also enjoyed our Sports Evening. Well done everyone for being great Fearless Foxes and Must Do Moles. You all worked so hard for this event, and it was great to celebrate all your sporting achievements.

Three questions to ask your child this week:

1 What is an untuned instrument?

2 How will your body change as you grow up?

3 What salsa moves did you learn on Spanish day?
