Reflection: What have we achieved and where next? 2017/2018		
Key priorities to date:	Key achievements/ what went well:	Further developments for next year
<ul style="list-style-type: none"> • Payment of staff/ coaches to provide after school clubs and to take children to sporting events. 	<ul style="list-style-type: none"> • We have been able to provide a range of clubs for the children to attend and have been lucky to have lots of them led by qualified sports coaches. • We have been able to attend the highest number of sporting events that we have ever attended. 	<ul style="list-style-type: none"> • Try to continue to provide a range of extra-curricular clubs. This will be more difficult as we have less staff who are willing to run clubs and will need to use more external companies to provide this. • Attend as many sporting events as possible but again this will be more difficult due to less staff being willing to attend/ being able to attend events.

<ul style="list-style-type: none"> • Membership/ subscriptions to sport organisations and CPD/ activity resources. 	<ul style="list-style-type: none"> • Maths of the Day has had a positive impact on the active learning in lessons other than PE. • Continued membership to Imoves has provided a range of resources for lessons in a range of areas within the PE curriculum, particularly for Dance. 	<ul style="list-style-type: none"> • Continue to buy into the schemes to provide the active resources.
<ul style="list-style-type: none"> • School swimming and 1:1 sessions 	<ul style="list-style-type: none"> • With the provision of standard school swimming sessions and additional sessions for those who had not achieved the minimum 25m requirement earlier in the academic year, we were able to get all Y6 children to achieve the requirement by the end of the academic year. 	<ul style="list-style-type: none"> • Provide as much support and opportunity for all children to achieve the minimum curriculum requirement by the end of Y6.
