

Use of Sports Premium Funding for 2018/2019

This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and Sport, for the benefit of primary aged children, in the 2018-2019 academic year so that they are encouraged to develop healthy, active lifestyles. The exact amount of money that we will receive is £17,600 (based on £16,000 and £10 per pupil in years 1-6).

Actions to be taken	Cost	Impact	Evidence:
Membership of the Vale Partnership	£700	This includes access to everything within the CPD package which includes generic CPD sessions, support from the Vale Partnership and the opportunity to attend Vale Partnership competitions. It will also include 3 bespoke sessions chosen by the individual school. These sessions will be based on the school's site, meaning that teachers and TAs can be shown how to use their space and their equipment effectively along with any other areas identified for development.	Children will have the opportunity to attend Level 2 and potentially Level 3 sporting events. So far this academic year we have attended the following Vale Partnership events: -Vale Finals Cross Country Teachers and Teaching Assistants will be able to build on their PE knowledge and confidence when teaching PE/ supporting within PE lessons. Bespoke package CPD sessions have been organised to include: -Lesson observations of Year 2 and Year 5. -Year 5 Play Leader training for the whole class -Teaching assistant CPD session focusing on effective support within a PE lesson.
Employment of the School Sports Co-ordinator for the Matthew Arnold Partnership	£711	Children have the opportunity to take part in partnership competitions which include qualifying events to take part in Vale Final competitions. This provides increased participation in competitive sport. Staff can work with the SScO to build their knowledge and confidence in the teaching of PE for example through team teaching.	In Autumn 1 term we attended 1 local partnership event (Cross Country) and 1 Vale Final event (Cross Country). A total of 41 children took part across these two events. Two class teachers have been working with our SScO on team teaching to develop their knowledge and skills when delivering PE lessons.
Purchase of sports kit and equipment	£2605.05	New equipment will allow children to take part in a wide range of sports and events. It will motivate children and staff in PE lessons and extra-curricular activities.	Dance costumes will be worn by the Dance Team who performed at the Oxfordshire Dance Festival in November 2018 and will be performing at the Great Big Dance Off Regional Heats in March 2019. Equipment has been used in PE lessons, by Play Leaders and at after school clubs to further enhance the provision and broaden the range of physical activity/ PE taking place. Buying more equipment for children to use at break times provides more opportunities for the children to be physically active during the school day. We have had positive feedback from both staff and children regarding this. Sport jackets for staff to ensure that all staff supporting PE lessons/ attending sporting events with the school are wearing appropriate kit and are easily identifiable.
Extra swimming teacher for class swimming sessions (so that there is a swimming teacher working with each group) and cost of extra sessions in the Summer Terms for non 25m swimmers in Y4-6	£3300	Each of the 3 swimming groups during class swimming sessions will have a qualified swimming teacher leading their session. This should hopefully result in quicker progression and development of the children's swimming skills. It will help the children to have more chance of achieving the minimum swimming requirements by the end of KS2. Children in Y4-6 who have not achieved the 25m and water safety requirements by the end of their standard provision will have the opportunity to attend extra school swimming sessions in order to help them to achieve the end of KS2 requirements.	Weekly swimming sessions now have a qualified teacher working with each group. Y6-88% of children have met the requirements after their sessions in Autumn 1 term.

CPD session costs	£950	<p>Four teachers attended the Support teacher of School Swimming training. The Support Teacher of School Swimming Course is a minimum requirement for all staff who accompany pupils to swimming lessons in both Buckinghamshire and Oxfordshire.</p> <p>This Swim England certificated course comprises the National Curriculum Training Programme and is recognised by the Department for Children, Schools and Families (DCSF) and by the Professional Development Board for Physical Education.</p>	<p>Led by a Swim England Licensed Tutor, this course consists of 6 hours contact time and includes theory and practical. It provides lots of fun ideas for teaching non swimmers through to more advanced swimmers; examples of how to deliver swimming through aquatics; ideas for X-Curricular activities; the opportunity to explore and use a wide range of resources.</p> <p>The NFL Flag Football Training provided staff to learn a new sport that can be introduced in school.</p>
		<p>The PE Co-ordinator attended the Oxfordshire PE conference on 23.11.18.</p>	<p>It provided the opportunity for the PE lead to further develop their awareness of the recent developments within PE, School Sport and Physical Activity. The PE Co-ordinator also attended workshops focusing on mental health and well-being. As a result of this, our school is now focusing more on the Active 30 challenge, to provide increased opportunities for physical activity during the school day.</p>

Reflection: What have we achieved and where next? 2018/2019

Key priorities to date:	Key achievements/ what went well:	Further developments for next year
<ul style="list-style-type: none"> Embedding active 30/60 	<ul style="list-style-type: none"> Use of active lessons across the curriculum, other than in PE. Subscriptions to resources such as Maths of the Day and Imoves has helped with this. The Daily Mile has been a great success with children choosing to take part in running based activities outside of school such as Park Runs and local 1-mile events. Active breaks/ blasts have also been a success across the school. Provision of break time equipment has had a positive impact on break times. Children are more active and we have had a reduction in behavioural incidents. 	<ul style="list-style-type: none"> Continue to promote the importance of being active and opportunities for children to be active throughout the school day. Further promotion on active travel to from/ school. Continue to buy into the schemes to provide the active resources.
<ul style="list-style-type: none"> Increasing the number of opportunities for children to take part in festivals/ competitions. 	<ul style="list-style-type: none"> We have attended as many events as we could this year, providing as many children with opportunities to represent their school as possible. 	<ul style="list-style-type: none"> Continue to provide as many opportunities for children to attend events and to represent their school as possible. This could be more of a challenge next academic year with less staff available for events.
<p>Areas of focus for next year:</p>	<p>Continuing to promote active choices as part of a healthy lifestyle including active travel. Continue to broaden the range of PE/ Physical activity provision. Providing more opportunities for extra-curricular clubs.</p>
