

Use of Sports Premium Funding for 2019/2020

This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and Sport, for the benefit of primary aged children, in the 2019-2020 academic year so that they are encouraged to develop healthy, active lifestyles. The exact amount of money that we will receive is £17,640 (based on £16,000 and £10 per pupil in years 1-6).

Actions to be taken	Cost	Impact	Evidence:
Membership of the Vale Partnership	£700	<p>This includes access to everything within the CPD package which includes generic CPD sessions, support from the Vale Partnership and the opportunity to attend Vale Partnership competitions.</p> <p>It will also include 3 bespoke sessions chosen by the individual school. These sessions will be based on the school's site, meaning that teachers and TAs can be shown how to use their space and their equipment effectively along with any other areas identified for development.</p>	<p>Children will have the opportunity to attend Level 2 and potentially Level 3 sporting events. So far this academic year we have attended the following Vale Partnership events:</p> <ul style="list-style-type: none"> -Vale Finals Cross Country -Vale Year 3/ 4 Badminton Festival <p>Teachers and Teaching Assistants will be able to build on their PE knowledge and confidence when teaching PE/ supporting within PE lessons. Bespoke package CPD sessions have been organised to include:</p> <ul style="list-style-type: none"> -Year 5 Play Leader training for the whole class
Employment of the School Sports Co-ordinator for the Matthew Arnold Partnership	£711	<p>Children have the opportunity to take part in partnership competitions which include qualifying events to take part in Vale Final competitions. This provides increased participation in competitive sport.</p> <p>Staff can work with the SScO to build their knowledge and confidence in the teaching of PE for example through team teaching.</p>	<p>In Autumn 1 term we attended 2 local partnership events (Cross Country and Tag Rugby) and 1 Vale Final event (Cross Country). These opportunities have provided 63 places taken up by our children to take part/ compete whilst representing their school.</p> <p>In Autumn 2 term we attended 1 local partnership event (Boccia), 1 Vale Final event (Boccia) and 1 County Final event (Cross Country). These opportunities have provided 15 places taken up by our children to take part/ compete whilst representing their school.</p>
Purchase of sports kit and equipment	£1,656.70	<p>New equipment will allow children to take part in a wide range of sports and events. It will motivate children and staff in PE lessons and extra-curricular activities. Additional equipment also bought for Cycle Training sessions. We have also purchased some additional break time equipment for each pod to use.</p>	<p>Dance costumes will be worn by the Dance Team who performed at the Oxfordshire Dance Festival in December 2019 and will be performing at the Great Big Dance Off Regional Heats in March 2019. Equipment has been used in PE lessons, by Play Leaders and at after school clubs to further enhance the provision and broaden the range of physical activity/ PE taking place. Buying more equipment for children to use at break times provides more opportunities for the children to be physically active during the school day. We have had positive feedback from both staff and children regarding this.</p> <p>Sport jackets for staff to ensure that all staff supporting PE lessons/ attending sporting events with the school are wearing appropriate kit and are easily identifiable.</p>
Extra swimming teacher for class swimming sessions (so that there is a swimming teacher working with each group) and cost of extra sessions in the Summer Terms for non 25m swimmers in Y4-6	£4920	<p>Each of the 3 swimming groups during class swimming sessions will have a qualified swimming teacher leading their session. This should hopefully result in quicker progression and development of the children's swimming skills. It will help the children to have more chance of achieving the minimum swimming requirements by the end of KS2. Children in Y4-6 who have not achieved the 25m and water safety requirements by the end of their standard provision will have the opportunity to attend extra school swimming sessions in order to help them to achieve the end of KS2 requirements.</p>	<p>Weekly swimming sessions now have a qualified teacher working with each group.</p> <p>Y4-% of children have met the requirements after their sessions during the Autumn Terms.</p>

CPD session costs	£315	<p>One teacher attended the Support teacher of School Swimming training. The Support Teacher of School Swimming Course is a minimum requirement for all staff who accompany pupils to swimming lessons in both Buckinghamshire and Oxfordshire.</p> <p>One teacher is also due to attend the training in March 2020.</p> <p>This Swim England certificated course comprises the National Curriculum Training Programme and is recognised by the Department for Children, Schools and Families (DCSF) and by the Professional Development Board for Physical Education.</p>	<p>Led by a Swim England Licensed Tutor, this course consists of 6 hours contact time and includes theory and practical. It provides lots of fun ideas for teaching non swimmers through to more advanced swimmers; examples of how to deliver swimming through aquatics; ideas for X-Curricular activities; the opportunity to explore and use a wide range of resources.</p>

Reflection: What have we achieved and where next? 2019-20

Key priorities to date:	Key achievements/ what went well:	Further developments for next year
<ul style="list-style-type: none"> Embedding active 30/60 	<ul style="list-style-type: none"> Our work as an Active School was recognised at a national level when the PE Co-ordinator was invited to present our active school work at the National School Games Summit in November 2019. This came from our case study for the Platinum Award being highlighted as an example of excellent practise. The Covid-19 Lockdown period had a big impact on PE/ Physical Activity and School Sport in school but we were able to provide opportunities for this to take place both via remote learning and as part of the phased return to school. Class Teachers and the PE Co-ordinator provided resources for children to use as part of their daily physical activity and a PE assignment was set for each class each week by Miss Jackson. As we were unable to have our annual Sports Evening, we took part in the National School Sports Week challenges instead. Physical activity was also a key feature for the children in school as part of the phased return and in the Key Worker pod. For example, the Year 1 pods did PE on a daily basis when they were able to return to school. 	<ul style="list-style-type: none"> Continue to promote the importance of being active and opportunities for children to be active throughout the school day. Further promotion on active travel to from/ school. Continue to buy into the schemes to provide the active resources.
<ul style="list-style-type: none"> Increasing the number of opportunities for children to take part in extra-curricular clubs. 	<ul style="list-style-type: none"> We have provided 7 extra-curricular clubs this academic year. The Covid-19 Lockdown period meant that we were unable to run the Athletics, Tennis and school staff led extra-curricular clubs in the Summer Terms. 	<ul style="list-style-type: none"> Continue to provide as many opportunities for children to attend extra-curricular clubs as possible. This will be more of a challenge next academic year with less staff available and no external coaches providing clubs in Autumn 1 Term.
<ul style="list-style-type: none"> Broaden the range of PE/ physical activity provision 	<ul style="list-style-type: none"> Class Teachers have continued to choose PE units to suit the interests and needs of their classes. Some new units of work were taught such as Pilates in Year 1. Staff have provided regular opportunities for children to take part in physical activity both within school and during remote learning. 	<ul style="list-style-type: none"> To develop the teaching of PE/ provision of Physical Activity within the government Covid-19 guidance.
<p>Areas of focus for next year:</p>	<p>Continuing to promote active choices as part of a healthy lifestyle including active travel. To provide targeted activities or support to involve and encourage the least active children. To develop the teaching of PE/ provision of Physical Activity within the government Covid-19 guidance.</p>
