

# Windrush Class Weekly Update

Year 3

12<sup>th</sup>-16<sup>th</sup>  
September  
2022

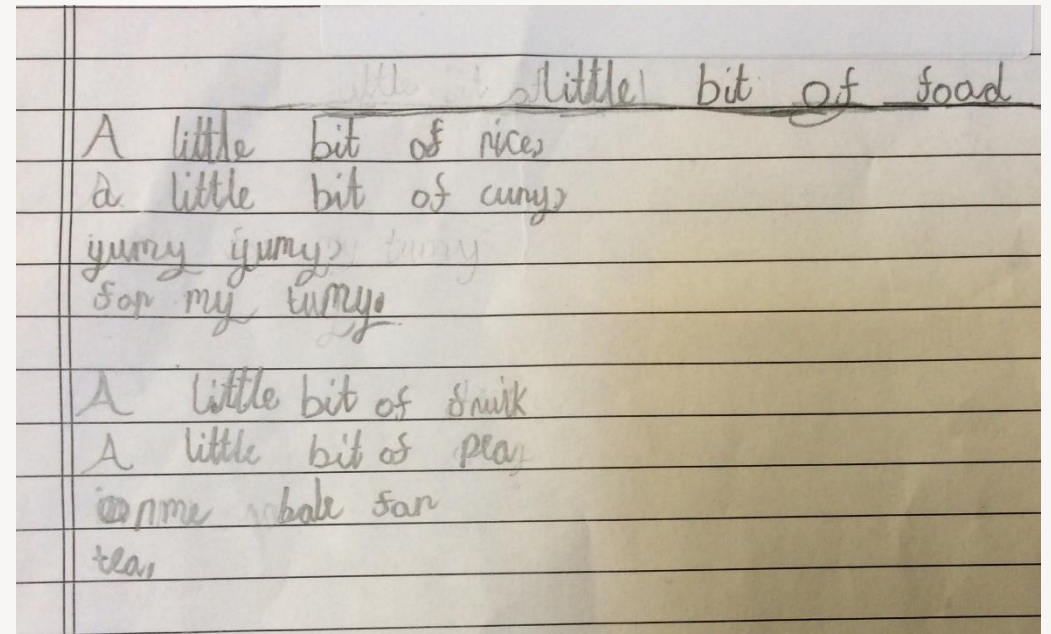

## English

### Werewolf Club Rules

This week we have continued looking at poems from the book "Werewolf Club Rules".

This week children wrote their own poems about food using rhyme and repetition.

## Science

### Light

This week children completed an investigation on which materials were the most reflective. They tested out different materials and then ordered their results from most to least reflective.

## Maths

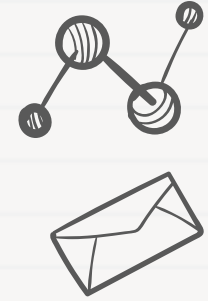

### Place Value

This week we have been looking at partitioning to help us further understand place value.

**Topic**

## **The Stone Age**

This week children learnt about Stone Age Houses and made their own in Forest School.

# Art

To remember the Queen, this week we created our own class artwork featuring children's reflections on the Queen's life and her many years of service. This will be displayed in the Church over the next few days.

**It has been a busy week however the children have loved getting creative this week!**
