

A decorative border of various shades of green leaves surrounds the central text. The leaves are arranged in a circular pattern, with some overlapping. The background is a light green color.

Weekly update

Ock Class

Wc 10th July

Maths

We have had lots of fun in maths this week, we have started our new topic on converting units. We began our topic by first looking at measuring volume in cubic centimetres, we used the Mathlink cubes to help us with our learning. We also thought about how we can measure the capacity of an object using a range of different measurements. We had lots of fun in active maths on Monday, where we worked hard to convert different units of measurement.

English

We have really enjoyed English this week, we have been writing auto-biographies on David Attenborough. We have been preparing to write our own auto-biographies on our favourite celebrities. We have done lots of research and unearthed some interesting facts to include in our writing, making sure we are also including those key skills we have been learning.

What's the Crime Mr Wolf?

We have been working extra hard this week to prepare for our end of year performance - the children have done a fantastic job within their roles and should be extra proud of themselves!
