

Weekly update week ending 10th June

Dear All,

Welcome back to our last term together! We have lots happening this term and are really excited about our play, especially after such a great couple of rehearsals this week. Remember we are hoping to be off-script by next Friday so please keep practising your lines/song lyrics. We were really proud of how well you all did today.

As well as play rehearsals we have had an action packed week. In maths we have been covering statistics, in particular bar charts and line graphs. In English we have been enjoying story mapping Geoff's life story and planning our biographies of his life in the One for All. In SPAG we learnt about the passive and active voice. In science we began our new topic on States of Matter, thinking about the particle structure and properties of solids, liquids and gases. In Topic we have been continuing finding out about Anglo-Saxons. In PE we were lucky to have Mr Pinder with us to help us get started with our interhouse field events ahead of Sports evening. This week we were impressed with everyone's efforts in the speed bounce and vortex; next week standing long jump and discus.

Spellings this week have the prefixes anti, auto and super (or a selection of HFW for some).

Next week we will be undertaking our real MTC checks. You have all done brilliantly at learning your tables so please rest assured that you have done all you need to do in preparation and you are absolutely ready for next week.

A reminder that our PE days are now Tuesdays and Thursdays. Good luck to all those competing in Quad Kids on Monday (and many thanks to our volunteer parent drivers).

Thanks for all your help and support.

Team 4
